High standard horse facilities

The “Hauts de Blond” estate offers high standard equestrian facilities, guaranteed by the “label équestre Limousin” (equestrian quality label of the Limousin area). This label guarantees the quality of activities and welcoming (for the riders and their horses) approved by a local committee.

The Haute-Vienne in Limousin: a traditional riding area

In the Haute-Vienne, the cradle of the Anglo Arab horse, horse-breeding is a tradition.

The “Monts de Blonds”: a land of legends

The varying nature of the landscapes in the “Monts de Blond” area makes these wooded and rounded-on-granitic-shelf hills charming. Never ending riding in the *underwoods*, *land of mushrooms*, where you can observe: strange prehistoric dolmens and menhirs, churches.
